My heart is sinking  
Falling to the bottom of this pit  
It all means nothing to me  
I never intended to hurt you  
But you pushed us away

It has been so long  
Since I've seen your face seen your face and I don't  
know what to say  
But this is where you belong  
This is your home  
This is our home

Where have you been  
Just come back home  
I won't stop until I'm dead, I'm dead  
Anything to make you mine  
Anything to make you mine

It has been so long  
Since I've seen your face and I don't know what to say  
But this is where you belong  
This is your home  
This is our home

(Do you ever think of me)  
Please come home.

(Don't you ever want to see)  
Where you belong

(If you belong with me)  
Where you belong

(Don't you ever miss a thing)  
Please come home

(Don't you ever miss anything)  
Where you belong

(Don't you miss everything)  
Where you belong

(Please come home)  
Please come home

(To me)  
Where you belong

(To me)  
Where you belong

It has been so long  
Since I've seen your face and I don't know what to say  
But this is where you belong  
This is your home  
This is our home

Please come back home
