Born, then taught to accept. From mass media brainwash, this is how and why you're going to act. Taught not to think. Taught not to learn. Taught to believe in carbon copied lives of no concern. Oh Canada, We stand on guard for thee? How ridiculous this seems. -Don't stop -look straight -just keep marching on be all you can be. Drowned by conformity. One billion people served (salute and stand in line). One billion lives destroyed (consumption of another kind). So eat your meat, do what you've been told and don't worry that life's not yours. Besides, you've been doing it for years. So it's ok right? Wrong! And with this I declare independence
