Sometimes I'd like to get lost and not be found
Sometimes I like it better when no one else is around
To remind me of the self indulgence, the greed, the
mass consumption, the cruelty I spent 16 years living
life without a clue then I re-educated and re-evaluated
me and now I sing... sing this song to you I... refuse...
don't want to be part of this shit do you? I... refuse...
don't want to be part of this shit do you? Do you?
Compassion Dreams Equality Love Belief Autonomy
Anarchy=Harmony A FIGHT FOR WHAT IS RIGHT
