Oooh on the highwire
Oooh higher and higher
It keeps coming back now
A horror movie
That I saw many years ago
I'm standing here
An abyss below me
I don't want to go
But I know that I have to
Oooh on the highwire
Oooh higher and higher
I still remember
You told me not to fear
And then you left me
With no lifeline
I see you down there
While I'm standing here
And I start to laugh
And so the dance begins
Oooh on the highwire
Oooh higher and higher
