I said  
Cannot stand  
Those fucking lies anymore  
I said  
No more sermons  
Of perverted words of God  
I said  
I have enough  
Of hypocrites with Holy Cross  
And I said  
I have lost all I wanted to believe  
In my land  
Church is not the house of God  
Dear God  
Please tell me where are you today?  
I only wanna know  
Is this your Kingdom Come?  
Black Heaven down here on earth?  
"We are the chosen ones!"  
This is what they say  
But power is what they want  
In the name of God  
Religion to the State  
I said  
I'm sick to death  
Of politicians in black robes  
I said  
I don't want them  
To swallow my hope  
I said  
They get rich  
Selling faith to the poor  
And I said  
I don't believe  
In this church anymore  
In my land  
Church is not the house of God  
Dear God  
Please tell me  
Where are you today?  
I only wanna know  
Is this your Kingdom Come?

Black Heaven down here on earth?  
Dear God  
Did you really plan it in this way?  
Is this apocalyptic Paradise  
A sort of Promised Land?  
Promised Land?  
Promised Land?  
Promised Land?  
Madness and lies  
In religious disguise...
