Now my time has come
I am all alone
No one wants me here anymore
Gone are golden days
Vanished in the haze
I shall never dance like before

Dark unrealistic spell
Did my blood right in
Stained me with sin
I got nothing left to spare
I shall not forget
I shall never rest

No one wants me anymore
No one wants me anymore
Time to go now
This is all I know

Everybody is passing me by
Remember me
Just remember my voice
Don't ask me where I am going
I shall meet you there
When your time comes
Soon I shall leave you forever
So just look at me now
Oh yeah, I know my sin
They won't let me forget
What I've done
And all of you with hearts so pure
Just go on preaching
What's right and what's wrong

Now my time has come
I am all alone
No one wants me here anymore
Gone are golden days
Vanished in the haze
I shall never dance like before
I am stained with sin
I am done right in

Under killing spell from beyond
I shall never rest
I shall not forget
Lost forever for what I have done

I just don't care no more
Don't care no more
Now I know for sure
I just don't care no more

It's getting closer...
