Soaking in your own suspicion
Are all off in all directions
I can tell the glow is where it feel,
I have made up my mind
You're way out of line
I feel the end
Whatever made you hate me
I will say I'm sorry
Whatever made you hate me(hate me)
I can't deny you what's inside you
So cut up to notice
I'm leaving I now this
I wanted to say I'm sorry, your pain
I wanted to say I'm sorry

Use to be so much between us
Now our love is black and bleeding
I can't think of anything, anymore
I have made up my mind, your way out of line
And now I'm gone
Whatever made you hate me
I will say I'm sorry
Whatever made you hate me(hate me)
I can't deny you what's inside you
So cut up to notice
I'm leaving I know this, your pain
I wanted to say I'm sorry

I'm good to go.
I'm so sick of you accusing me now
Now you're fallen to a new damn low
Cause I found that you're the one fucking around.

What does your conscious rebelize your darkness
Hope it makes you happy
Whatever made you hate me
I'm gonna say I'm sorry
Whatever made you hate me(hate me)
I can't deny you what's inside you
So cut up to notice I'm leaving I know this, your pain
I wanted to say I'm sorry.

I wanted to say I'm sorry.
(Can't deny you what's inside you)
I wanted to say I'm sorry
(Can't deny you what's inside you)
I wanted to say I'm sorry
(Can't deny you what's inside you)
I wanted to say I'm sorry
(Can't deny you what's inside you.)
