Do as I say, as I say
(Oohaaaa, oohaaaa)
Drive, drive into the desert
(Oohaaaa, oohaaaa)
You don't know why
You don't know why

With his pretty wife
And the garden gnomes
In the park at home
He saw a UFO

Maybe it's a death cloud
Maybe it's a death cloud
Maybe it's a death cloud
Maybe it's a death cloud

Do as I say, as I say
(Oohaaaa, oohaaaa)
Hide, hide among the statues
(Oohaaaa, oohaaaa)
You don't know why,
Why, why why

With his pretty wife
And the garden gnomes
In the park at home

He saw a UFO

Maybe it's a death cloud
Maybe it's a death cloud
Maybe it's a death cloud
Maybe it's a death cloud

You don't know why
(You don't know why)
You don't know why
(You don't know why)
You don't know why
(You don't know why)
You don't know why

(You don't know why)

You don't know why
You don't know why

And I know why
And I know why
Oh it's a pattern, baby
It's a pattern, baby

And I know why
And I know why
Oh it's a pattern, baby
It's a pattern, baby
