I won't hurt your mother  
I won't hurt your brother  
I won't hurt another  
I won't feel at all  
I won't hurt your mother  
No don't hurt your brother  
I'll find other ways to  
Know it's all alright

Oh

I won't hurt your sister  
I can not resist her  
Oh I got a way to go  
Before I leave  
I won't tell her anything  
That won't be necessary  
I would like to  
Buy you a gold canary

Ooh  
Gold canary

Ooh  
Gold, gold, gold canary

Slip away, so break it to you softly  
Will you lay a curse to my name?  
Fly away, fly today  
As my hands work on the birdcage  
You disappear into the air  
Fly away, fly today  
Slip away, so break it to you softly  
Will you lay a curse to my name?  
Fly away, fly today  
As my hands work on the birdcage  
You disappear into the air  
Fly away, fly today

Gold canary, gold canary  
Gold canary, gold canary  
Gold canary, gold canary

Gold canary, gold canary  
Ooh  
Gold canary  
Ooh
