Verse 1

Mother Ganga take me higher
You wake up, you're on fire
Light a candle in the shadows
A different glow for every window

Verse 2

Mother Ganga take me higher
You wake up, you're on fire
Walk together to the river
Side by side, come to die here

Chorus

Oh oh oh oh
There's nothing in the water (x3)
There's nothing in the water we can't fight
We get high

(Mother)
(Yeh yeh go yeh)

Your on fire
Light a candle in the shadows
A different glow for every window

We get high
