Will you wait like I wait for you?
Will you jump if I ask you to?
Oh you fix me with an arctic glare
Making out and you just don't care

Will you wait like i wait for you?
Table's set and there's tea for two
Oh you fix me with an arctic glare
Making out and you just don't care

Before you close the book on us
Before you close the book on us
Before you close the book on us
Before you close the book on us

Hey!
Are you going out of town?
Are you on a white horse to carry you around?
Oh you fix me with an arctic glare
Making out and you just don't care

Before you close the book on us
Before you close the book on us
Before you close the book on us
Before you close the book on us

Rest easy, oh
Rest easy
Rest easy, oh
Rest easy

So and long, steadfast and strong
This water's more than wine
So and long, steadfast and strong
This water's more than wine than wine than wine than
wine than wine than wine

Rest easy, rest easy
Rest easy, rest easy
Rest easy, rest easy

Rest easy, rest easy

Rest easy, rest easy
Rest easy, oh
