

## The Benjamin Gate "Heaven"

I had all the words in the world  
Now I've got nothing to say to You  
Got to be a million people that  
Have walked this road before

But why does it feel so tough  
And I am letting go again  
I think I understand  
And I am letting go again

As Heaven is open wide  
I see these streets come alive  
As Heaven is open wide  
I see these streets come alive  
Like the sun coming up on a pitch cold night

As we face time on our own  
And I am rediscovering  
The life that's left to me  
A sea of rediscovery  
A sea of rediscovery

As Heaven is open wide  
I see these streets come alive  
As Heaven is open wide  
I see these streets come alive  
As Heaven is open wide  
I see these streets come alive  
Like the sun coming up on a pitch cold night

As time goes by I don't see You smile for a while  
As time goes by I don't see a smile for a while  
Expose me God to Your light  
Touch my eyes, free my soul  
Expose my God to Your light  
Touch my eyes, free my soul

As Heaven is open wide  
I see these streets come alive  
As Heaven is open wide  
I see these streets come alive  
As Heaven is open wide

I see these streets come alive  
Like the sun coming up on a pitch cold night

I see your face before me, again and again  
Again and again  
As Heaven is open wide
