Seeing through a hole in time, looking at this world of mine

All the words we've had to say, all the dreams to light the way

It's been fine though we've been apart

But it's only just begun

Far away from home

But baby, I'm not alone

Lift me up

Turn me around

I'm gonna get my feet off the ground

Lift me up

Turn me around

Lift me up

Turn me around

I'm gonna get my feet off the ground

Lift me up

Turn me around

(Turn, turn, turn, turn)

Sunrises in black and blue

Sunsets say I love you, too

You said I had strength to stand my ground

Said I had wings to fly

Far away from home

But baby, I'm not alone

Lift me up

Turn me around

I'm gonna get my feet off the ground

Lift me up

Turn me around

Lift me up

Turn me around

I'm gonna get my feet off the ground

Lift me up

Turn me around

(Turn, turn, turn, turn)

And everyday away hurts a little more
(Hurts a little more)
But everyday away is easy to ignore

(Turn, turn, turn, turn)

Lift me up
Turn me around
I'm gonna get my feet off the ground
Lift me up
Turn me around

Lift me up
Turn me around
I'm gonna get my feet off the ground
Lift me up
Turn me around

Yeah
Turn around baby
Far away
