Fire reflecting in these eyes
Visions of you, imagine my surprise
Sweat hot hands, cold shivers down my spine
Visions of you, your spirit so divine

Live out, live out, live out loud
Live out, live out, live out loud
Live out, live out, live out loud
Live out, live out, live out loud

Your eyes pierce through this life of mine
And bring me to give all that I can find
Revelation, my heart's desire
Pull me up and out of the mire

Live out, live out, live out loud
Live out, live out, live out loud
Live out, live out, live out loud
Live out, live out, live out loud
Oh oh oh oh oh oh oh

I am a witness
I'm at the scene of this
I'm throwing myself
I'm throwing myself into you

Live out, live out, live out loud
Live out, live out, live out loud
Live out, live out, live out loud
Live out, live out, live out loud

Live out, live out, live out loud
Live out, live out, live out loud
Live out, live out, live out loud
Live out, live out, live out loud
Oh yeah

We will see you come again, Jesus
Oh oh oh
Oh oh oh
Oh oh oh
