I've had enough of hiding underneath my covers
I'm done with all that poop that brings me down
down
down
Don't bring me down
down
down

I'm sick and tired of being sick and tired
I'll laugh my whole way through the hurricanes and fire
That's why you don't wanna bring me down
That's why you don't wanna bring me down

I've had enough of hiding underneath my covers
I'm done with all that poop that brings me down
down
down
Don't bring me down
down
down

I'm sick and tired of being sick and tired
I will laugh my way through the hurricanes and fire
That's why you don't wanna bring me down
That's why you don't wanna bring me down
