"My Fictitious Life With Amily"

Visit "[My Fictitious Life With Amily](#)" on MotoLyrics.com

Amily, you are the first thing that I think of at 3 am
Amily, will you be there to put pennies on my eyes?
Would you like a beer or a cigarette or a road trip to
Utah?
'Cause I will give you what you wanted

Amily, I can hear constellations when you speak to me
Amily, will you really mean it when you say, "I love
you?"
Would you like a garden, a castle, a rocketship, a
baby?
'Cause I can give you what you wanted

And if I propose will you lay down next to me?
And if you say no, well I refuse to miss you
'Cause I know God's got it's finger on my pulse
Beep beep
I'll live on, I'll live on
Beep beep
I'll live on, I'll live on

And if I propose will you lay down next to me?
'Cause I can give you what you've wanted
