I washed your car last week  
You gave me a kiss on the cheek  
I asked if you would be my sweet  
You said "baby not me"

I mowed your lawn yesterday  
You gave me six bucks  
And I said "lets have some lemonade"  
You said "go away"

I built your cupboards out of my bones  
Shoveled your snow with an ice cream cone  
I asked if you would be my own  
You said "leave me alone"

I raked your leaves with my toes  
Tilled your garden with my nose  
Asked if you would be my beau  
You said "no no no"

Built your cupboards out of my bones  
Shoveled your snow with an ice cream cone  
I asked if you would be my own  
You said "leave me alone"

I raked your leaves with my toes  
Tilled your garden with my nose  
Asked if you would be my beau  
You said "no no no"

You said "no no no"  
You said "no no no"  
You said "no no no"  
You said "no no no"  
You said "no no no"
