I see a sign before me,
The stars they have the lights
I go on, my time best come
The blood of... thrill me
A Cyrus my guide
A rooter of this kingdom of sand

Chorus:

Call the world a temple of immortality
See it right a legacy of all
A gate lead you to gods, a monumental greatness
See it rise the kingdom of sand
A kingdom of sand

I am the con of horrors
I'm a God in human flash,
When I call for you
You will... get for me

Chorus:

Call the world a temple of immortality
See it right a legacy of all
A gate lead you to gods, a monumental greatness
See it rise the kingdom of sand
A kingdom of sand

Call the world a temple of immortality
See it right a legacy of all
A gate lead you to gods, a monumental greatness
