You said you loved me
And you made it sound sincere
Now I'm just wishing you were here
Give it up, wish you were here
You wanna lose yourself
In someone else's eyes
How could you ever pass me by
(Chorus)
Give it up, give it up
Give it up, baby
There was a time
When you would turn to me and say
Baby you're always on my mind
But how could I know
That you would let me down some day
And leave me for some other guy
(Chorus)
Won't you stop denying
The love I know you feel for me
Baby keep on trying
It's time we face reality
