

Clouseau "When You Smile"

I'm sitting in front of a piece of paper
Trying to write something new
I'm sitting all alone at a table
Thinking all the time about you
Waiting by the phone
You might just call me
I really don't know what to do
I'm sitting all alone at this table
Thinking all the time about you
(Chorus)
And when you smile
You make me feel so good, mmm
And you smile most of the time
Looking for the words to say I love you
But I can't find them at all
Sitting all alone at a table
Still waiting for your call
