Woman, I can remember a woman
Warm were her kisses and tender was she lying there
in my arms
Why
Why, did you deceive me so?
What devil inside made you go when I needed you
most of all
Oh daughter of darkness
Stay out of my life, my life
You took my heart and broke it apart, you daughter of
darkness
Daughter of darkness
Please, leave me alone forever
Daughter of darkness, gone is the love that we shared
together
Heaven, we had our own kind of heaven
Sharing together the magic of love in a world of our
own
Then oh so suddenly you were gone
The love I depended upon disappeared when you
weren't away

Oh daughter of darkness
Stay out of my life, my life
You took my heart and broke it apart, you daughter of
darkness
Daughter of darkness
Please, leave me alone forever
Oh devil daughter of darkness, gone is the love that we
shared together
Oh daughter of darkness
Stay out of my life, my life

You took my heart and broke it apart, you daughter of
darkness
Oh daughter of darkness
Stay out of my life, my life
You took my heart and broke it apart, you daughter of
darkness
Daughter of darkness
Please, leave me alone forever
Oh devil daughter of darkness, gone is the love that we

shared together
