I roam the plains  
Got no name,  
Don't need anybody.  
You are in chains  
Society reigns,  
Holding everyone.

People say they  
Can't understand me?  
Don't you even start to try.  
Barren skies in my eyes  
Gotta be free,  
Vagabond till I die.

Chorus  
Do as I do,  
Do what I say.  
You make the rules  
But I don't wanna play.  
Know my own mind  
Go my own way,  
Doomed to follow,  
Who made you king for a day?

Who made you?  
Who made you?  
Who made you?  
Who made you?

Who made you king  
For a day?  
Who made you king  
King for a day?

Who made you king  
For a day?  
Who made you king  
King for a day?

They pay for dirt  
Beneath their feet,  
I stray where I want to.

Stay in one place  
They spit in your face,  
Wanderlust grabs you.

People say they  
Cannot understand me,  
Don't you even start to try.  
Barren skies in my eyes  
Gotta be free,  
Vagabond till I die.

[Chorus]
