### "All Dressed Up And Shy"

Visit "[All Dressed Up And Shy](#)" on [MotoLyrics.com](https://MotoLyrics.com)

i'm a young girl  
all dressed up and shy  
i take things slowly  
don't want to try to hard

chorus  
and it might seem a little strange  
that i act the way i do  
people want what they  
expect from a young girl

funny haircuts  
invention of the year  
will i follow  
stick around for fun

well i do not think  
we should blame the rain  
for staying indoors once more

chorus  
and it might seem a little strange  
that i act the way i do  
people want what they  
expect from a young girl

please do the unexpected  
i can not talk about yesterday  
please say the unexpected  
can't you see i'm a mess inside  
inside
