i didn't hear you saying  
it was over  
so i was quite surprised  
to see you with a new best friend

i should have seen i coming  
but sometimes i'm so confused  
now my head is full of nothing

chorus  
breakdown and cry  
i will  
breakdown and cry  
breakdown and cry  
i will  
breakdown and cry

summer by the sea  
in sadness  
seashells stay the same  
without the beauty they had in your hand

you never gave me a sign  
in the way i thought you would  
now i feel so left down

chorus  
breakdown and cry  
i will  
breakdown and cry  
breakdown and cry  
i will  
breakdown and cry

i'm thinking of the summers spent with you  
all those things we used to do  
if i had the chance to be different  
i would be different

chorus  
breakdown and cry

i will  
breakdown and cry  
breakdown and cry  
i will  
breakdown and cry
