i lied to you
to make you happy
it didn't work
cause you knew i was lying

don't you lie to me again
don't lie to me again
my friend

chorus
don't be gone
don't be sad
i will wash your tears away
don't be gone
don't be sad
i will wash your tears away

and now i know
how things really were
so why do you think
that you made me happy

don't you lie to me again
don't lie to me again
my friend

chorus
don't be gone
don't be sad
i will wash your tears away
don't be gone
don't be sad
i will wash your tears away

don't be gone
don't be sad
i will wash your tears away
don't be gone
don't be sad
i will wash your tears away
