you and me
arguing about the fact
that i believe
in everlasting love

if you know what i can do
there's a reason for you to be
here

she is tired
of my problems and of me
so for now
i will be on my own

chorus
one day
you will be here to stay
and maybe
see things my way
one day
we'll be older
we'll look back to see
how things used to be

you and me
arguing about the fact
that i believe
in everlasting love

if you know what i can do
there's a reason for you to be
here

chorus
one day
you will be here to stay
and maybe
see things my way
one day
we'll be older
we'll look back to see

how things used to be

i don't know why
suddenly we changed into
the very persons
we said we'd never be
i don't know why
suddenly we changed into
the very persons
we said we'd never be
