### "Hey Boy!"

Visit "[Hey Boy!](#)" on [MotoLyrics.com](http://MotoLyrics.com)

i don't want to see you  
i don't want to start all over again  
i don't want you to have me  
and i know that you would like to

so please let me be lonely  
i need some time  
to get over the things you've done to me

chorus  
hey boy! i think it's too late  
to regret the things you've done to me

hey boy! i think it's too late  
to regret the things you've done to me

i don't want you to be here  
and i don't want to follow you  
so please go away now  
i don't want you to see  
the tears that i will cry for you

chorus  
hey boy! i think it's too late  
to regret the things you've done to me

hey boy! i think it's too late  
to regret the things you've done to me

hey boy! i think it's too late  
to regret now the things you've done to me

hey boy! i think it's too late  
to regret now the things you've done to me

hey boy! i think it's too late  
to regret now the things you've done to me
