"Holiday"

spending sundays in your apartment
is like a holiday for me
you drink water
i drink wine
that suits me fine

chorus
i think it's intentional
the way your clock is an hour behind
i think i'll stay longer
because mondays
always come around

i need lazy days on the sofa
more than love on summerdays
talking fast
saying nothing
it's alright with me

i need a drink
i need some company
i need someone
to share my life with

chorus
i think it's intentional
the way your clock is an hour behind
i think i'll stay longer
because mondays
always come around
