"Hope For Winter"

Visit "[Hope For Winter](#)" on [MotoLyrics.com](https://www.motolyrics.com)

i was wrong
you were right
a day in december
can be so nice

wishing and hoping
just won't do
i won't come
closer to you

let's all hope for winter
winter cools us down
the brightness of springtime
makes you, makes me
feel down

all at once
or nothing at all
i couldn't help
feeling so small

in the end it's all the same
i won't come
closer to you
i know i want to
but could i really do
when decisions are made by you

let's all hope for winter
winter cools us down
the brightness of springtime
makes you, makes me
feel down
