it was no surprise for me
so i was not that sad
still i wanted to know how
things could go so bad

chorus

i'm in a mess now since you left my world
there are things that i can't be without
i'm in a mess now since you left my world
you, i can't be without

i'm not sentimental but
still i have to say
when i think of those distant days
i really wish you would stay

chorus

i'm in a mess now since you left my world
there are things that i can't be without
i'm in a mess now since you left my world
you, i can't be without

if i don't look that sad
it's because i knew it
if i seem a little cold
it's because i'm well prepared

if i don't look that sad
it's because i knew it
if i seem a little cold
it's because i'm well prepared

chorus

i'm in a mess now since you left my world
there are things that i can't be without
i'm in a mess now since you left my world
you, i can't be without

i'm in a mess now since you left my world
there are things that i can't be without
i'm in a mess now since you left my world

you, i can't be without
