"Look Out!"

when i saw you
the other day
you just turned away

you were going
to someone
where you wouldn't say

at first it made me kind of sad
i admit i was blue

but she is forgotten
she has to learn something
to be the one to blame
she is forgiven
she is far too sweet for a boy like me

do you look out
for me
and wonder where i might be
are you happy alone
or have you found a boy so soon

i see my friends
almost everyday
never a glimpse of Kay

i go shopping
when i'm alone
just to pick me up

i can be happy
i don't need someone to tell me my mistakes
she can't be happy
i can't imagine
her without me

do you look out
for me
and wonder where i might be
are you happy alone

or have you found a boy so soon
