chorus

it's gonna be ok
it's just another way
of being unhappy
tomorrow i'll be fine
please don't waste our time
you're not lucky to be free

now i know

i was wrong about you
i still can't be without you

spending time

away from everything
only missing you

chorus

but it's gonna be ok
it's just another way
of being unhappy
tomorrow i'll be fine
please don't waste our time
you're not lucky to be free

now i know

i was wrong about you
i still can't be without you

spending time

away from everything
only missing you

when i thought i had everything

then i was better off
i feel bad as i realise
there is no love

chorus

but it's gonna be ok
it's just another way
of being unhappy

tomorrow i'll be fine
please don't waste our time
you're not lucky to be free

chorus
it's gonna be ok
it's just another way
of being unhappy
tomorrow i'll be fine
please don't waste our time
you're not lucky to be free
