you can say  
i was mean and cruel  
baby you know, that is not right  
things were strange  
when i was far away  
now i'm here  
to make things right

give me half  
(i'm easy to please now)  
give me half the chance i deserve  
(i'm where you want me to be)  
cause i'm so fucked up right now  
(i'm eager to please now)

you can say  
i was mean and cruel  
baby you know, that is not right  
things were strange  
when i was far away  
now i'm here  
to make things right

give me half  
(i'm easy to please now)  
give me half the chance i deserve  
(i'm where you want me to be)  
cause i'm so fucked up right now  
(i'm eager to please now)

go on with what you're saying  
we've been falling  
so many times it won't hurt me  
no more

give me half  
(i'm easy to please now)  
give me half the chance i deserve  
(i'm where you want me to be)  
cause i'm so fucked up right now  
(i'm eager to please now)
