Let me tell you what I really feel
And what's on my mind
Boy, it's you, I just don't understand
Why you keep wasting my time

You said your love was true
I opened up my heart
And have all I had to you
A love like mine is very hard to find

I'm tired of the games
I want the truth and nothing else
So tell me what you want
Or are we one or should I walk away

I just want to know
If this is the end or should I just
Let it go
I can't take this pain another day

If you want my love
Tell me so
Let me go, let me go
Let me go, let me go
Let me go

If you want my love
Tell me so
Let me go, let me go
Let me go, let me go
Let me go

So many sleepless nights
You're all that's on my mind
I wish we could talk, not fight
Can we sit and talk civilly

You know it's over due
We've got a lot of things
We need to just straighten out
You know we can't outrun from reality

I've gave all my love
Gave all my heart
Gave all my time, boy
I have nothing else to give

I just want to know if this is the end
Or should I just
Let it go
Give me back my life so I can live

If you want my love
Tell me so
Let me go, let me go
Let me go, let me go
Let me go

If you want my love
Tell me so
Let me go, let me go
Let me go, let me go
Let me go

If you want my love
Tell me so
Let me go, let me go
Let me go, let me go
Let me go

If you want my love
Tell me so
Let me go, let me go
Let me go, let me go
Let me go

If you want my love
Tell me so
Let me go
