How do rumors get started?
They're started by the jealous people and
They get mad about somethin they had, and somebody
else is holdin

They tell me that temptation is very hard to resist
These wicked women, oohh they just persist
Maybe you think it's cute, but girl I'm not impressed
I tell you one time only with my business please don't
mess

Look at all these rumors surrounding me everyday
I just need some time some time to get away from
From all these rumors I can't take it no more
My best friend said there's one out there about me
and the girl next door

Did you hear the one about Tina?
Some say she's much too loose
That came straight from a guy who claims he's tastin
her juice

Did you hear the one about Michael?
Some say he must be gay
I tried to argue but they said if he were straight he
wouldn't move that way

Did you hear the one about Susan?
Some say she's just a tease
In a camosal she's six feet tall she'll knock you to you
knees..

Look at all these rumors surrounding me everyday
I just need some time some time to get away from
From all these rumors I can't take it no more
My best friend said there's one out there about me
and the girl next door

I can't go no place without somebody pointing a finger
I can't show my face cuz when it comes to rumors I'm a
dead ringer

It seems from rumors I just can't get away
I bet there'll even be rumors floatin' around on
Judgment Day

I'll think I'll write my congressman and tell him to pass
a bill
For the next time they catch somebody startin' rumors,
shoot to kill
Will you look at all these rumors surroundin' me every
day
I just need some time, some time to get away from
From all these rumors, I can't take it no more
My best friend said there's one out now about me and
the girl next door

What's mine is mine, I ain't got time for rumors in my
life
I'm a man who thinks, not a man who drinks, so please
let me live my life

What's mine is mine, I ain't got time for rumors in my
life
I'm a man who thinks, not a man who drinks, so please
let me live my life

What's mine is mine, I ain't got time for rumors in my
life
I'm a man who thinks, not a man who drinks, so please
let me live my life

Will you look at all these rumors surroundin' me every
day
I just need some time, some time to get away from
From all these rumors, I can't take it no more
My best friend said there's one out now about me and
the girl next door

Look at all these rumors surroundin' me every day
I just need some time, some time to get away from
From all these rumors, I can't take it no more
My best friend said there's one out now about me and
the girl next door

Stop spreadin' those rumors around
Stop spreadin' the lies
Stop spreadin' those rumors around
Stop (Stop) spreadin' the lies

Stop spreadin' those rumors around
Stop spreadin' the lies
Stop spreadin' those rumors around

Stop spreadin' the lies

Stop spreadin' those rumors around
Stop spreadin' the lies
