Why you treat me so bad  
Why you treat me so bad  
Why you treat me so bad  
Why you treat me so bad  
Why you treat me so bad

Oh, girl, I loved you but you  
Turned and you walked away  
I would love you more tomorrow  
Than I know I do today

You told me that you'd never hurt me  
Girl, you just tore my life apart  
Tell me, baby, why'd you do it  
Won't you bring me back my heart

I tried to understand it, baby  
I searched my heart inside my mind  
I searched the depth  
Of my whole soul, baby  
There was nothing there to find

You told me that you'd never leave me  
Girl, you just went and told a lie  
Tell me, baby, why'd you do it  
Why'd you make me wanna cry

[CHORUS]  
Why you treat me so bad  
I don't know why, baby  
Why you treat me so bad  
Why you do me the way you do  
Why you treat me so bad  
I don't know why, baby  
Why you treat me so bad  
Why you treat me so bad

Boy, just let me tell you  
How I really and truly feel  
I know that I have doubts and issues  
But now I'm gonna tell you the deal

You tell me that I always hurt you  
I don't know what you're talking 'bout  
Tried to love you, tried to hold you  
But you always seemed to doubt

You've told me that you didn't trust me  
And you didn't want me around  
Show somebody else your interest  
Now you walk around with a frown

Sorry that you say I hurt you  
But you know you hurt me too  
I'm begging you, baby, I need you back  
Because I'm still in love with you

[Repeat CHORUS]

I sit here all alone just thinking  
How our love could be  
But everytime I call you up  
You won't talk on the phone with me

Just don't know if I can take it  
Girl, you make me cop a plea  
You've got me begging for your loving  
Can't you see it's killing me

I just don't understand you, baby  
After all I've done for you  
You know we've both  
Gone through some changes  
Now you say your love is true

Boy, you know how much I loved you  
And now I guess my heart has changed  
Don't beg me, baby, can't take you back  
I've found myself another man

[Repeat CHORUS]

Oh, girl, I don't know  
Why you treat me so bad  
Do what's right

Why you treat me so bad, I don't know  
Why you treat me so bad, so bad  
Why you treat me so bad...
