Get up party penguins come on haven't you heard
i get a lot of distance for a little fightless bird i'm a
crowned king of this funky scene with my stylin' diva
Puffle

And my ice cold beats
can i get a what, what?
Can i get a who, where?
I have the coolest club around
The party starts now!
When i waddle in
Turn the music loud for an epic win
DJ K dance in the house

Get ready to move
you can boogie down cause' i'm spinning the tunes
the party starts now-ow-ow-ow-ow
The party starts now-ow-ow-ow-ow
Let begin the count down

Let turn it up loud

Come on,

5-4-3-2-1

The party starts now!

Get up, Get your flippers up high in the sky
And if you wave em' hard enough, then you might even
fly

If you cant, cant you can break dance
Till you chillin' like a villain in sub zero arctic win
If they say dont dance you say no chance

Yeah we bring the LOLs

The party starts now!

When i waddle in

Turn the music loud for an epic win

DJ K Dance in the house

Get ready to move you can boogie down cause im
spinning the
tunes

The party starts now-ow-ow-ow-ow

The party starts now-ow-ow-ow-ow

Let begin the count down

let turn it up loud come on,

5-4-3-2-1

The part starts now!

Aaawww yeah!

I got my boombox with me and im ready to spin
Turn tables and my microphone in case you wonderin'
When the party starts and you still asking around
it doesn't starts in 5 minutes
(The party starts now)
The party starts now!
When i waddle
Turn the music loud for an epic win
DJ K dance in the house
Get ready to move
you can boogie down cause i'm spinning the tunes
The party starts now-ow-ow-ow-ow
The party starts now-ow-ow-ow-ow
Let begin the count down
let turn it up loud
Come on,
5-4-3-2-1
The party starts now!
Cadence out
