Hold it now, hold it now

Hold it now, hold it now

Hold it now, hold it now...

Whoa, oh, oh...

Hold on tighter to love

Boy, you been taking me through changes

Why, I'm for real

When you need me, I'm always there

The one you can lean on

But, baby, I'm strong

And we can't go wrong

I keep on and on

(CHORUS)

Hold on tighter to love

Hold on tighter to love, oh, oh

Hold on tighter to love

Hold on tighter to love, oh, oh

Now, get the chance

See how a love can be

A thrill by the minute

The loving by the hour

Truth and honesty, so

The two of us should be together

Building a love supreme

I promise you to leave you never

Give you what you need, oh, oh

(CHORUS) 3X

Hold it now, hold it now

Hold it now, hold it now

Hold it now, hold it now...
