So many times have I asked you to tell me
That I'm your girl
Time after time I have needed a reason
Just to get inside your world
So many times have I asked you to ask me
How it feels to love
And when it's love seems the only conclusion
That I'm guilty of
Oh baby then you

Put your loving arms around me

Put your loving arms around me
And it feels like shelter when you
Put your loving arms around me
And inside your arms I'm burning
Put your loving arms around me
And you whisper to me when you
Put your loving arms around me

Burnin' inside yeah, burnin' inside yeah - x2

Put your loving arms around me
And it feels like shelter when you
Put your loving arms around me
And inside your arms I'm burning
Put your loving arms around me
And you whisper to me when you
Put your loving arms around me

Burnin' inside yeah, burnin' inside yeah - x2

Put your loving arms around me - x2
..and inside this love im burning...burning...yearning

And sometimes the way that you act makes me wonder
What I am to you
And sometimes I can't stand the way that I'm acting
To be part of the things you do
Often I've asked you for too much of your time
I've been stealing

And when I dream of the fear that you're leaving
Then I reach out
Oh baby then you

Put your loving arms around me

Put your loving arms around me
And inside this love I'm yearning
Put your loving arms around me - x2
And inside this love I'm yearning

Put your loving arms around me
And it feels like shelter when you
Put your loving arms around me
And inside your arms I'm burning
Put your loving arms around me
And you whisper to me when you
Put your loving arms around me

burning inside yeah, burnin insed yeah, burning,
burning, burning inside yeah

Put your loving arms around me - x2
And inside this love I'm yearning
