Verse1:

I don't care what you wear,
You seem safe and sound,
Just cool it and DON'T forget about me when I'm down.

Chorus:

Hey,hey,hey,
You're the girl in between,
It was ok until you came clean,
I thought the lie was but a dream.

Verse 2:

Caviar, reservoir, uh huh a dime i'm in.
Beneath the dance consequence,
Hence your back with him.

Chorus:

Hey,hey,hey,
You're the girl in between,
It was ok until you came clean,
I thought the lie was but a dream.

Bridge:

My mirror is cracked,
7 years no reflection,
I saw you smile,
It's a sign of perfection,
Enigmas always seek,
When you TEST the way that people think,
DEITIES lookin down,
Universal sound.

Outro:

Hey,hey,hey,
You're the girl in between,
Hey,hey,hey
You don't know what it means,
It was ok, until you came clean,
I thought the lie was but a dream.
