I'm so sorry I'm so paranoid  
It's something in my head  
That I can't avoid  
And I want to be with you  
And always will  
Until I die  
Until I die  
Until I die

I'm so sorry that I've been like this  
You're the one thing in this world  
I don't want to miss  
And I want to be with you  
And always will  
Until I die  
Until I die  
Until I die

Frost on the window  
I'm in for the night  
You've got a phone  
Keep me in mind  
Just give me a try

I'm so sorry that I've been so sad  
But you are the best friend that I've ever had  
And I love you  
And always will  
Until I die

Frost on the window  
I'm in for the night  
You've got a phone  
Give me a try  
It's still on my mind

So sorry I'm so paranoid  
I'm so sorry I'm so paranoid  
I'm so sorry I'm so paranoid  
I'm so sorry I'm so paranoid  
And I want to be with you

And always will  
Until I die  
Until I die
