Rest (Andrea Lewis/Chris Jonat)

I've been around the world I've seen it and I've lived it  
friend

I've been around the world and now it's time for me to  
rest

I've been around the world I've seen it yes I've lived it  
I've been around the world and now it's time for me to  
go

Do you believe that love is God, or do you feel the  
reverse

Do you believe a blessing is the absence of a curse

Do you believe you have no choice but let your life play  
out

Did you cut your own belief just to spite your doubt
