Mistress of ices
Stygian Skater
Scribing devices
Dancing on sabres

So very relentless
Counting the sheep
Electrical fences
American sleep

Paramorpheus
Somnambulating
Dream scarabaeus
In chorus refraining

So very relentless
Counting the sheep
Electrical fences
American sleep

One, two, fisherman's stew
Boiled on timber and stirred with a broom
Three, four, pour it on the floor
Feed all the beasties, cook up some more

Five, six, mortar and brick
Weaker than iron but stronger than sticks
Seven and eight, lock up the gate
Nothing to do but to sit and to wait

Nine, ten
Do it again
Bun in the oven
A wolf in the den

Companion chimera
Lethan grazer
Pausing to herald
Mistress of sabers

So very relentless
Counting the sheep

Electrical fences
American sleep
