The devil and me had a falling out  
Violation of contract beyond a shadow of a doubt  
Wherever he go, whomever he meet  
He got to cross my house on the other side of the  
street

And you know that's the truth  
Now here's the part that the devil sings  
While he's hanging his head in a hard rain

Where I'm headed, I don't know  
Down this path, we all go  
Grace and luck, blood from stone  
Got nowhere to call my home

What comes around goes around  
Three-fold or more  
Now you can't get off of that killing floor

I'm going back to Tennessee  
Back where I come from  
Gonna head back to Beale Street  
Beale Street and Oblivion

The devil and me, bad blood and beef  
An undisciplined child, a liar and a thief  
It's a low down shame, we were the best of friends  
But I suppose all good things got to come to an end

What comes around goes around  
Three-fold or more  
Now you can't get off of that killing floor

I'm going back to Tennessee  
Back where I come from  
Gonna head back to Beale Street  
Beale Street and Oblivion

I'm going back to Tennessee  
Back where I come from  
Gonna head back to Beale Street  
Beale Street and Oblivion

Gotta get off of that killing floor
