Oh, that Appalachian Way
Runs from Georgia clear up to Maine
Oh, that Carolina sand
Runs from Kill Devil Hills out to cold Greenland

I said Lord, Lord Lord, Lord Lord
Na, na na, na na
I said Lord, Lord Lord, Lord Lord
Na, na na, na na

Can you summon fire, baby
With a simple flint and stone?
If you can't then baby
You better go back to what you know

I said Lord, Lord Lord, Lord Lord
Na, na na, na na
I said Lord, Lord Lord, Lord Lord
Na, na na, na na

Who put me in heavy metal?
If you know the answer I don't care
I have a kick ass harpsichord
That's right

I saw you dancing with the devil
Tell your kid you're better off
Playing leap-frog with a unicorn
That's right

I said hang on
It's a long road to where we go
I said hang on
It's a long road to where we go

Now, who put me in heavy metal?
If you know the answer I don't care
I have a kick ass harpsichord
That's right

I saw you dancing with the devil
Tell your kid you're better off

Playing leap-frog with a unicorn
That's right

Who put me in heavy metal?
If you know the answer I don't care
I have a kick ass harpsichord
That's right

I saw you dancing with the devil
Tell your kid you're better off
Playing leap-frog with a unicorn
That's right
