My baby caught the train
Left me all alone
My baby caught the train
Left me all alone
She know I love her
She done me wrong

My baby bought the ticket
Long as her right arm
My baby bought the ticket
Long as my right arm
She say she gonna ride long
As I been from home

Who's been talking everything that I do?
Who's been talking everything that I do?
Well, you my baby, I hate to lose
Goodbye baby, hate to see you go
Goodbye baby, hate to see you go

You know I love you
I'm the causing of it all

I'm the causing of it all
