All the way 100, all the way, all the way 100
Iâ€™m all the way 100, all the way, all the way 100
Iâ€™m all the way 100, all the way, all the way 100
Iâ€™m all the way 100, all the way, all the way 100
Iâ€™m all the way 100, and Iâ€™m for real when Iâ€™m
stunting
We try, traps in the night, yeah
Iâ€™m all the way 100, about as real as they come
Feed one, then Iâ€™m down for the hype, aight
Iâ€™ma always keep it solid, yeah, you family then I got
you
Wonâ€™t turn my back on my folks
Iâ€™m all the way 100, you want it, then Iâ€™m gunning
Wonâ€™t run, stay down so donâ€™t fall, letâ€™s go

Iâ€™m all the way 100, all the way, all the way 100
Iâ€™m all the way 100, all the way, all the way 100
Iâ€™m all the way 100, all the way, all the way 100

Iâ€™m all the way 100, everything that you do
I bet I prolly already done it
Verbal vomit when I spit my ebonic,
Smoking the chronic
Can have a dollar in my pocket and walk around hella
confident
Fucking is my favorite sport, drinking is my second
Keep my mouth shut if the po boy asking questions
Hash royal, afghanian durban,
What I say behind your back I say it in person
Contraband in my left hand, lama in my other hand
I can see I treat these pussies niggas like a sonogram
Yâ€™all sick on the computer murder malcolm
Catching box up baby softer than doctor crappy
California nigga, born and raised in the struggle
I can make your baby mama pussy â€¦
I rather hand with a broke real nigga
Than a fake rich nigga
Fools show they true color when they off that liquor

Iâ€™m all the way 100, all the way, all the way 100
Iâ€™m all the way 100, all the way, all the way 100
Iâ€™m all the way 100, all the way, all the way 100

Iâ€™m all the way 100, canâ€™t tell me nothing
Boss living that life, go 365, you ainâ€™t ready to fly
Watch for you just cry
Let them study somethin, see me coming
The hero view that most eyes
I got too much going right now
More in line itâ€™s just prize
Yeah, grown man bizness, she started I finish
In the game we donâ€™t play
Dope emcee go track for track, she gonn move just like
yay
Iâ€™m all the way 100, money by time
Word to c boy Iâ€™m straightâ€¦
Yeah out in California come ask about me, bet this what
they gonn say

Iâ€™m all the way 100, all the way, all the way 100
Iâ€™m all the way 100, all the way, all the way 100
Iâ€™m all the way 100, all the way, all the way 100
