CHORUS
Lover please, please come back
Don't take a train comin' down the track
Don't, please don't, don't leave me
Don't leave me in misery
You would never hold me so near
You would never call me "Dear"
Don'tcha know I'd die for you?
Now you're gone, that's what I'll do
CHORUS

All those stories, not too long
About a love that went all wrong
The girl left the boy, just as bad
Now she's gone, she's so sad
CHORUS
You would never hold me so near
You would never have called me "Dear"
Don'tcha know I'd die for you?
Now you're gone, that's what I'll do
CHORUS FADES
