Think me a kiss, whoa, oh  
Think me a kiss, come on  
And think me a hug  
Let me be your cuddle bug

When I hear my baby calling  
Come here, lover, to me  
I haven't got a prayer  
But I'm on my way  
No matter where she may be  
Ooby dooby dooby

Think me a kiss, whoa, oh  
Now think me a kiss, come on  
And think me a hug  
Let me be your cuddle bug

Sometimes when I get lonely  
Dreaming for her charms  
Quick as a wink I start to think  
That I'm right there in her arms  
Ooby dooby dooby

Think me a kiss, come on  
And think me a kiss, oh  
Think me a hug  
Let me be your cuddle bug

A few times I have messed up  
Running around in space  
She was calling somebody else  
And I wind up on a wild goose chase

Ooh, but I keep on hearing love notes  
Coming in loud and strong  
I better find my baby  
And get home to me  
Right where I belong  
Ooby dooby dooby

Think me a kiss, come on  
And think me a kiss, whoa, oh

Now think me a hug  
Let me be your cuddle bug

Come on and think  
Whoa, oh, think me a kiss

Think me a kiss  
Think me a kiss  
Think me a kiss  
Think me a kiss
