I awakened this morning, I was filled with despair  
All my dreams turned to ashes and gone, oh yeah  
As I looked at my life it was barren and bare  
Without love I've had nothing at all

Without love I've had nothing  
Without love I've had nothing at all  
I have conquered the world  
All but one thing did I have  
Without love I've had nothing at all

Once I had a sweetheart who loved only me  
There was nothing, oh that she would not give, oh no  
But I was blind to her goodness and I could not see  
That a heart without love cannot live

Without love I've had nothing  
Without love I've had nothing at all  
I have conquered the world  
All but one thing did I have  
Without love I've had nothing at all
